

Skyline Technical High School

Preparing Engineers and Scientists for Tomorrow!

Penny Wars for Water

In preparation for the Skyline Olympics, Skyline Schools will be collecting water. Skyline Tech High School will purchase crates of water from the proceeds of the Penny Wars. Each homeroom will be given a jar/bottle and the students will get positive points for turning in change (pennies, nickels, dimes, quarters) and the homeroom with the highest number of points will get a pizza party. But it doesn't end there! Students may sabotage the points in other homerooms by adding dollar bills. Any bills will provide negative points for that homeroom's jar! Let the war begin!

Letter from the Principal

The basketball tournament at Komatke Boys and Girls Club on January 14th was a great success. The winner of the high school girl's trophy was Skyline Tech. Go Tech! The winner of the high school boy's trophy was Skyline West. Gila Crossing Community School won the middle school girls trophy and Skyline D5 won the junior high boy's and elementary co-ed trophies. Thanks to all those that volunteered their time, players, and family and friends that came out to cheer on their teams.

We are looking forward to many

exciting and important events coming up here at Tech. The Biotech science class is busily preparing their science fair projects and the Applied Math class is preparing for the Math Olympiad competition. Tech is also gearing up for another round of school-wide Galileo testing to help us better prepare students for the Reading, Writing, and Math AIMS tests that they need to pass to graduate. Skyline Schools has adopted the Galileo testing to improve student achievement through data-driven instruction. The results of the tests identify

objectives that students have mastered and not mastered so that teachers can modify instruction to better meet the needs of students.

Skyline Tech is moving forward with the NCA accreditation process, we expect to have our full accreditation this year. As with every spring, we are moving closer to graduation on May 25th. Several seniors have already graduated this school year, way to go!, with many more expecting to graduate in May.

Mr T.

February, 1st 2012

Upcoming Events

- Week of Feb 6th—Galileo Testing
- Week of Feb 13th—Galileo Retesting
- February 20th—Presidents' Day/ No School

- February 28th & 29th—AIMS Reading and Writing Testing
- March 3rd—Science Olympiad
- March 7th, 8th, 9th—Science Fair
- March 8th—End of Block 3
- March 8th-18th—Spring Break
- March 19th—Beginning of Block 4
- April 26th—Skyline Olympics
- May 25th Skyline Tech Graduation Ceremony

Girls and Boys Basketball @ Skyline Tech

The boys basketball team has had a great season this year. The team is ranked second in the state with a 14-0 record. The boys face the number one team on Jan. 31st. Also you can follow the Boy's stats @ www.Statsandgo.com For more

information on games, etc please contact Coach Bill Bowler.

The lady eagles are continuing to improve as a team. After a week and a half off from playing a game, they beat ASU Prep Cen-

tral. Presently, the team the is ranked number two in the AZCAA 1A Conference. They have four games remaining to complete the season and prepare for state play-offs. We are excited and look forward to getting better daily.

Hoopin' It Basketball Tournament

The basketball tournament had a great turnout! It was fantastic to see everyone there participating and cheering on their home schools. Tech's girls team took home the trophy! Awesome job ladies! There was lots of games and food and everyone was introduced to the plans for the new school building going up next year. Thanks to all who came out!
