TAX CREDIT FORM

The Arizona tax law (ARS 43-1089.01) allows taxpayers a **TAX CREDIT*** of up to \$400 per household if they contribute to **EXTRA CURRICULAR ACTIVITIES** in public schools.

What is an extracurricular activity?

Extracurricular activity means any optional, non-credit educational or recreational activity that supplements the education program of the school. Activities such as sports, visual and performing arts, special programs, field trips, clubs, or classroom enrichment programs can be funded with tax credit money. **Please note that a recreational activity must be educational** and activities such as Prom, Senior Trips, theme parks, etc. cannot be funded with tax credit donations. Please consult with the front office if you have further questions concerning how your tax credit can be used.

Who is eligible?

Tax credit is available to all Arizona individual taxpayers regardless of whether or not they have children in school. An individual can contribute and receive a tax credit for any amount up to \$200, or a couple filing jointly can contribute up to \$400. The amount of the tax credit does not have to be for the total allowable amount of \$400/\$200 – you can make a difference with just \$50, \$75 or \$100.

How can I take advantage of the tax credit?

Simply complete the form below and return it, along with your check, to the school by mail or in person. The school will send you a receipt for your tax records. Donations received or postmarked on or before December 31 will be eligible for a tax credit for this year's Arizona state taxes. Donations received after December 31 will be eligible for a tax credit on next year's taxes.
