

## 7<sup>th</sup> – 12 Grade Edgenuity Quick Login Tips

1. Access Edgenuity <https://auth.edgenuity.com/Login/Login/Student>
2. Login screen should look like this:

A screenshot of the Edgenuity Student Login interface. The background is dark with a faint, abstract pattern. At the top center, the text 'Student Login' is displayed in white. Below this, there are two input fields: 'USERNAME' with the value 'sweander8' and 'PASSWORD' with a masked password of eight dots. Below the password field, there are two buttons: a teal button labeled 'Forgot your password?' and a teal button labeled 'LOG IN'. The bottom left corner of the screenshot shows a decorative graphic with teal and orange lines.

3. Username is specifically created by Edgenuity. Students should know this, if not please contact your homeroom teacher and they will be happy to provide.
4. Passwords are case sensitive: Skymmddy where mmddy is the student's birth month (mm), day (dd), and year (yy).
5. For example, if LeBron James birthday was 12/30/1984, his password would be Sky123084 (with a capital S). If your password is not working, please reach out to your homeroom teacher.
