Entity ID	CTDS	LEA NAME
90540	78578000	South Valley Academy, Inc.

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	Students and Staff will be required to wear cloth face coverings when on campus as required by Maricopa County and City proclamations. If a health condition prevents wearing a cloth face covering, the school will communicate with parent and student to find an appropriate alternative, such as a plastic shield or distance learning.
Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	Y	LEA Mitigation Plan outlines enhanced social distancing requirements including classroom layouts with individual desks for students, maintaining six feet, if possible, drop off/pick up procedures allowing no exiting from vehicles, limited grade levels in communal spaces during recess (including lunchrooms, bathrooms visits), no volunteer visitors, splash guards at entry counters.
Handwashing and respiratory etiquette	Y	LEA Mitigation Plan outlines all students will wash their hands with soap and water for at least 20 seconds or will use hand sanitizer with at least 60% alcohol at the following times: upon arrival at school (hand sanitizer if there is no sink in the classroom), after being outside for physical activity, before and after lunch, prior to leaving school for home, after sneezing, coughing, or blowing nose. Entry, classrooms, hallways, gyms, eating areas and restrooms all contain hand sanitizer stations.
Cleaning and maintaining healthy facilities, including improving ventilation	Y	LEA Mitigation Plan outlines cleaning and disinfecting requirements including regular cleaning of high touch areas within school and transportation vehicles. All buildings are equipped with 24-hour fresh ventilation air circulation.
Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments	Y	LEA Mitigation Plan outlines notification process and contact tracing process including those who become sick with COVID symptoms, those reporting a positive COVID test, those reporting direct exposure to COVID, those with possible exposure to COVID. Policy is directly aligned with Maricopa County Health requirements.
